

River City Radio Controllers

Presents

“Wings for Kids

For many years, the River City Radio Controllers, a local radio controlled Model Aircraft Club located at E.P. Tom Sawyer State Park in Louisville, KY, has held a two day Air Show called “WINGS FOR KIDS”. It is the club’s effort to raise money for the “Kosair Charities”.

“Wings for Kids” is a spectacular air show that consists of nationally-known pilots from all over the region who come to show off their flying skills and model aircraft for the public. Many of our local pilots also participate as well. While not in flight, the airplanes are displayed on the ground for a closer look by the spectators.

WE NEED YOUR HELP

As “Wings for Kids” has grown holding this even has become more costly. This is why we are asking businesses and individuals to help us make this year’s event successful.

This year we have started the “Sponsor a Pilot” program to help with the cost and allow business to show their support for “Kosair Charities”. We are asking for any donation large or small so we will be able to provide hotel accommodations and food for the pilots that have donated their weekend to fly for kids. Your donation is tax deductible as we are a 501c-3 non-profit organization. We will provide you with a receipt for your donation. We are expecting over 2500 people to be in attendance and hope that you will also attend to see what a great impact your donation has made.

THANK YOU FOR YOUR DONATION

We at River City Radio Controllers thank you for supporting “Wing’s for Kids” and Kosair Charities. Your donation will help us to continue to raise money for Kosair Charities and provide a spectacular air show for the community. We look forward to seeing you there.

Please cut along this line and follow mailing instructions.
