

Spring 2009

For many years, the River City Radio Controllers, a local radio controlled model aircraft club located at E.P. Tom Sawyer State Park in Louisville, KY, has held a two-day air show called WINGS FOR KIDS. The purpose of this event is to benefit KOSAIR CHARITIES.

RCRC proudly contributed more than \$7,500 to KOSAIR CHARITIES in 2008. Over the past several years, our air show has grown significantly allowing us to contribute more than ever. We are looking forward to our biggest year yet, mostly due to the generosity of the neighboring businesses and supporters.

The Air Show consists of nationally-known pilots from all over the region who come to show off their flying skills and model aircraft for the public. Many of our local pilots participate as well. While not in flight, the airplanes are on display for a closer look by the spectators.

As WINGS FOR KIDS has grown, holding this event has become more costly. This is why we are asking businesses and individuals to help us make this year's event successful. We have started the "Sponsor a Pilot" program to help with the cost and allow businesses to show their support for KOSAIR CHARITIES. For a donation of \$150.00, we will be able to provide hotel accommodations and food for the pilots that have donated their weekend to fly for kids. KOSAIR CHARITIES is a 501(c)-3 non-profit organization, and your donation is 100% tax deductible. We will provide you with a receipt for your donation. For your donation, you will receive your name on our donor's board, recognition over our PA system and your company may place a banner or sign at our event. We are expecting over 2500 people to be in attendance so this is a great way to get your company's name out in the community.

If you have any questions about our club or charities please feel free to contact us at donorinfo@WingsAirShow.org.

Sincerely,

Bill Fluke
Club President

Please make all checks payable to "Kosair Charities" and mail to:

Wings for Kids
Att: Jim Schroder
2901 Chimney Rock Lane
Louisville KY 40220

This year, the Air Show will be held on Saturday and Sunday June 6th and 7th, from 12 Noon to 5 PM both days.
